

Volunteers are essential in carrying out the mission of Camp Swatara. Those who serve as volunteers are greatly appreciated and the camp community welcomes them with open arms. They are responsible, fun loving adults who agree to give an hour, a day, a week or more of their time to participate in the ministry of Camp Swatara. Each year, volunteers make a huge difference in the lives of campers and campers make a huge difference in the lives of volunteers. Come join us again or for the first time!

Secrets of the Kingdom—The Parables of Jesus

Storytelling is as ancient as human communication. From writing on the walls of caves to oral tradition to written words to campfires and dinner tables—stories are how we pass on the meaning and beauty of our history. Stories make us laugh or cry. They make us more aware. They help us understand. They illuminate any shadowy spots in our lives. Jesus used stories to teach his disciples—and us—about what it means to live in his kingdom. The stories are called parables, and this summer, campers will look to the Master storyteller, Jesus himself, to discover six different parables and their meanings for our lives today.

Camp Swatara Mission Statement:

The purpose of Camp Swatara is to provide opportunities in the natural setting for persons of all ages to grow in their personal relationship with Jesus Christ so that they may give their lives to Him in total discipleship.
