

Camp Swatara Family Camp News 2012

Hello Campers !

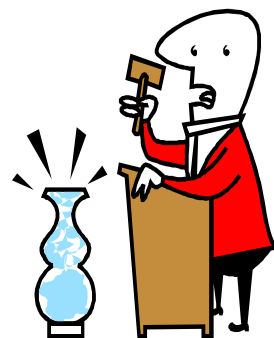

All of us here at Camp Swatara Family Camp are working hard at getting the campground ready for another season, and we are looking forward to you and your family joining us.

If you were able to camp with us last year, you would have seen the latest addition to our campground, a splash pad. This is the best summer fun for all ages. If you missed it last year, you will enjoy it this year.

They say "the best things in life are free," and we have lots of them at the Family Camp. These free things include hiking, fishing, boating, ball games, and a multitude of leisure activities like reading a good book.

At the end of the summer season, we hold a Labor Day Auction. In the past this has been a Saturday evening event, but this year the auction will begin at 10am on Saturday morning. We will start with the children's auction and food stand followed by the main adult auction. There will be no visitor fee for this activity so please plan to join us on Sept. 1st for this fun event.
